Dear Justices Honorable Smith,

I am writing today to express my opposition to the proposed rule change 8.4(g).

Why is the court considering aligning themselves with the gay movement?

Why is rule 4.8 being forced upon those whom conscious it would violate? No other group of people seek to have such special rules.

The Drunkards don't seek it. The fornicators don't seek it. The adulterers don't seek a rule change. And yet the court is considering to adopt a discriminating rule that protects perversion, and is clearly a manifestation of what Romans 1 depicts. I sympathize with the gay community in as much as many of these have been sexually exploited and abused at a young age. I weep for their pain. However as a parent I do not support giving this group of hurting people more leverage in changing the basic fabric of our society. Even the natural world is against the gay movement. No biological offspring are produced from gay intercourse.

I encourage you to strike down this measure that restrains free speech, free thinking, and freedom of religion for those who are practicing law in the state of Montana.

Sincerely, Jolene Crum

I hope you'll reject this rule change.

Sincerely,

Mrs. Jolene Crum
